ANGELOW

ANGELOW
LEMON SPRITZ “ON THE GO”
Aromatized Wine-Product cocktail

ORIGIN
A balanced blend created from a vibrant wine base enriched with a refined combination of natural ingredients and aromatic botanicals.

IDENTITY
Created with expertise and care, it combines the vibrancy of wine with the freshness of lemon and a delicate bitter edge. Wine and grape must are blended into a cuvée that preserves freshness while enhancing lively citrus aromas. The result is a fresh, balanced and pleasantly refreshing taste. An “on-the-go” aperitif that brings together Italian tradition and contemporary style, ready to brighten every occasion from the very first sip.

TASTING
Bright yellow in colour, with golden reflections that evoke sunshine and the atmosphere of a summer aperitif. The bubbles are creamy, persistent and smooth. The nose opens with aromas of lemon zest and fresh citrus, complemented by delicate herbal notes. On the palate, lively freshness meets a pleasant bittersweet finish, while a light residual sugar provides balance and enhances drinkability. Fresh, refreshing and full of character.

PAIRINGS
Ideal as a welcome drink, it pairs well with appetizers, finger food and light Mediterranean dishes, making it suitable for relaxed, convivial moments. Serve well chilled, over ice, garnished with a slice of lemon. Serving temperature 8/10°C
